## Web Development

I'm an aspiring Web Developer looking to get into the field after my coding bootcamp has ended. I'm focused on achieving success no matter the circumstances. I love learning and I'm always willing to try my hand in anything new. I'm great at working on a team or independently, and I work really well under pressure. I'm outgoing, personable, and friendly and work well in many types of environments.

### Education

08-2018 - 11-2018	<b>University of North Carolina Charlotte Coding Bootcamp</b> 12-week Full-stack Coding Bootcamp for Web Development Certification
2015 - 2018	<b>University of North Carolina Charlotte</b> Pursued Bachelor of Science in Earth and Environmental Studies
